ROSENSTOCK, BOXBOROUGH, MASSACHUSETTS; RICHARD DYKIEL, ACTON, MASSACHUSETTS; RICHARD LAGUEUX, HUDSON, NEW HAMPSHIRE; and NEHRU BHANDARU, SUDBURY, MASSACHUSETTS**, have sold, assigned and transferred, and do hereby sell, assign and transfer, unto MOTOROLA, INC., a corporation of the State of Delaware, having its principal office in Schaumburg, State of Illinois, United States of America, and its successors, assigns, and legal representatives, the entire right, title and interest for the United States of America in and to certain inventions relating to improvements in **METHOD OF MIGRATING ACTIVE GENERAL SERVICE MANAGER FUNCTION** (Docket No. IS01406MCG), described, illustrated and claimed in an application for Letters Patent of the United States of America executed by us on the dates indicated by our signatures below, together with the entire right, title and interest in and to the application, and in and to Letters Patent which may be issued upon the application, and upon any division, extension, continuation or reissue thereof.

We hereby also sell, assign and transfer unto MOTOROLA, INC., the entire right, title and interest in and to the invention and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of the invention and the applications for Letters Patent in foreign countries, and we further authorize MOTOROLA, INC. to apply for Letters Patent in foreign countries directly in its own name, and to claim priority of the filing date of the application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

Commissioner for Patents

Alexandria, Virginia 22313

Sir:

Applicants hereby petition the United States Patent & Trademark Office to make application on behalf of and agent for Richard Dykiel and Richard Lagueux on the grounds that Richard Dykiel and Richard Lagueux have refused to accept any application papers and have refused to sign the Declaration and Assignment.

refused delivery of said application papers and refused to sign said Declaration per instruction from their corporate counsel. The Declaration by Kevin D. Wills contains a copy of the express refusal by both Richard Dykiel and Richard Lagueux to accept delivery of the application papers and to sign the Declaration and Assignment as required by MPEP 409.03(d).

Also attached hereto are copies of an Assignment executed by other inventors of the invention assigning their interests in the invention to Motorola, Inc., ("Motorola") and a Declaration and Power of Attorney executed by other inventors authorizing Motorola to represent them in regard to the prosecution of this application before the United States Patent and Trademark Office.

In addition, also attached are a Declaration of V. Lynn Webb with regard to inventor Richard Dykiel and Declaration of V. Lynn Webb with regard to inventor Richard L. Lagueux attesting to the facts regarding mailing via Certified Mail, Restricted Delivery, the specification, claims, abstract and drawings along with Declaration and Assignment documents for signature and their subsequent return as refused or unclaimed

Therefore, applicants respectfully request that their Petition be granted and that they be authorized to make application for patent on behalf of and as agent for Richard Dykiel and Richard Lagueux.
